

Remember how  
excited you were  
by your first trade?

Chances are you'll never forget it. Because it shaped the way you looked at the world. Now take that understanding to the next level, at Bentley College. Bentley is America's first business university, where you'll get the most advanced business education available in state-of-the-art facilities like our onsite Trading Room. Bentley College: University resources. Small college attention. Visit us online or call 800/442 GRAD.

*To learn more about Bentley's Graduate Programs,  
attend our information session on August 7.*
